

**SECTION 00020**

**INVITATION TO BID**

**CITY OF BRUSH!**  
**EMERSON STREET ROAD REPAIR**

Sealed bids for the Emerson Street Road Repair shall be received by the **OWNER**, City of Brush! located at 600 Edison Street Brush, Colorado 80723 until **11:00 AM., local time, March 3, 2017**, at which time the bids will be publicly opened and read aloud at the same location.

The Contract Documents consisting of a Project Manual and Drawings may be obtained by either electronic documents on-line on and after 2:00 P.M., Wednesday February 8, 2017. Complete electronic Project Plans, Project Specifications, and Bid Proposal Packet are available at the JDS-Hydro Consultants, Inc. website "www.jdshydro.com", click on the "Browse Current Projects" link and select this project from the project list. Documents cannot be downloaded or printed without purchasing. To purchase and download the project documents in pdf format, click "Download Project PDF" and sign on to QuestCDN.com or join for a free membership. Plan documents can be downloaded for a fee of \$10.00. Please contact QuestCDN at 952-233-1632 or email "info@questcdn.com" for assistance in the free membership registration, downloading, and working with this digital project information. In addition, the Drawings and Project Manual may be examined at the following locations: the office of the consulting engineer, JDS-Hydro Consultants, Inc, and through the City of Brush!.

The successful **BIDDER** will be required to furnish Payment and Performance Bonds and comply with the insurance provision as specified by the Contract Documents. A 5% Bid Bond will be required.

A description of the work to be performed generally includes: **removal of 2235 SY of asphalt; excavation of 466 CY of subgrade; preparation of subgrade, including scarification to a depth of 12", addition of 148 tons Class C fly ash, and recompaction; placement and compaction of 2235 SY of aggregate base course to a depth of 6"; and paving with 2235 SY of asphalt (Grading S or SX) to a depth of 4". Included is all site work, erosion control, traffic control, construction surveying, installation, and incidental work required to complete the Work as specified in the Drawings.**

Qualifications to the **BIDDER** should include: experience in asphalt paving, ability to obtain necessary permits for construction, ability to post performance and payment bonds, and ability to deliver the work in conformance with specifications within the contract time. A **mandatory pre-bid meeting is set for 12:00 PM, February 23, 2017** at 600 Edison Street Brush, CO 80723.

This project is being funded by a purchase order through the US Department of Homeland Security Federal Emergency Management Agency. Prospective Bidders will be expected to provide extensive financial documentation of work during construction for government verification of funds used.

Prospective Bidders may visit the site between the hours of 8:00 a.m. and 4:00 p.m. on weekdays. The City of Brush, Dale Colerick, may be reached at (970) 842-5001; however, technical questions must be directed to the ENGINEER at (719) 227-0072 (Geoffrey Sanders).

The **OWNER** reserves the right to waive any irregularities or to waive any technical defects in the bidding process as the best interest of the **OWNER** may be served. The **OWNER** also reserves the right to reject any and all bids. Basis of award will be the lowest responsive and responsible Bid as determined by the **OWNER**.
